UTICAN ACCEPTS
CALL AS PASTOR

Rev. Milford E. Cheney Will Be Minister of Lake Placid Baptist Church

REV. MILFORD E. CHENEY

ASSUMES DUTIES NEXT WEEK

Graduate of Utica Free Academy, Colgate University and Rochester Seminary

Rev. Milford E. Cheney, son of Mr. and Mrs. Arthur W. Cheney, 1822 Storrs Avenue, has accepted a call to the Lake Placid Baptist Church, Lake Placid, and will take up his duties there next week.

Rev. Mr. Cheney has been pastor of the First Baptist Church at Holby for the last year and his work has met with notable success. During the last week he was graduated from the Theological Seminary of Rochester University with the degree of Bachelor of Divinity.

Rev. Mr. Cheney was graduated from the Utica Free Academy in the class of 1917 and four years later from Colgate University. In 1921-22 he was principal of the North Brookfield High School and served in the same capacity at Livingston Manor the following year. He was ordained as a Baptist minister at impressive ceremonies in the First Baptist Church, New York, N. Y., in 1925.

As indicative of the high regard in which he is held, Rev. Mr. Cheney has been offered a substantial increase in salary and will be warmly welcomed at Lake Placid.

New York State Railways Officials Admit Seriousness of Situation and Prepare to Man Cars in Utica, Rochester and Syracuse by Others if Employees Quit Posts

Rochester, May 21 (AP)—A strike of trolley men in Utica, Rochester and Syracuse loomed tonight when the men were urged at special meetings here today to reject the arbitration proceedings and contract offered them by James F. Hamilton, president of the New York State Railways.

The trolley men of the three cities will vote jointly on the two propositions Tuesday, and the ballots will be brought to this city to be tabulated. A negative vote on both propositions means a walkout, union leaders declared.

REPORTERS' CHIPS

Plans for a May dance, May 22, were made by Utica, Tenn. 22, The Maccabees, in Maccabees Temple Friday night.

Charles H. Spratt has sold to John D. Schwind a lot on Spratt Place, 50 ft. wide, to be drawn to build at once.

The Utica Maccabees will have a family evening tonight at its hall in Columbia Street. There will be a comedy entertainment, music and dancing.

Oneonta Normal School alumnae will hold their annual luncheon at Hotel Martin at 1 p. m. today, with Dr. Jerry Bugbee, president of the school, as guest of honor.

A large basket of flowers, the gift of Mrs. George E. Dunham, has been received at the newly enlarged Dunham station of the Utica Postoffice. The substitution, now the gift of George E. Dunham, former editor of The Press.

Deputy Sheriff Fred W. Clark will leave this morning for Randall's Island with Chester Cabow of Waterville, who has been committed there by Judge P. F. Scripps in Children's Court. The lad had been at industry, and was on parole when he entered a lead store on Wednesday.

Justice of Peace Dan T. Burke reserved decision when George Bullock sued Arthur Farmerly for \$27.50, alleged commission due in delivering to the latter's store, when the late George E. Dunham, former editor of The Press.

May baskets and a miniature May pole held places of honor on the table in the main hall of the East Utica branch of Utica Public Library. The gifts are a reminder of the May Day story hour, and were brought and left by the young visitors. Many nationalities are expressed in the wrappings and packaging.

Women's Civic Club members held a card party Friday afternoon. There were 30 tables surrounded by players, and Mrs. Frank Vail had charge of arrangements. Proceeding the games there was a wonderful bake sale, which was supervised by Mrs. Ward B. Edwards. The room was attractively decorated with spring blossoms, and the day was marked by its hospitality.

Chickerville Tavern 2, Knights of Birmingham, will convene tonight at Willowvale Bleachery Club house tonight at 7:30. The affair will be given for the benefit of Automobile Lodge, Temple fund. Automobiles for transportation will leave Oxford Road and Genesee Street, New Hartford, at 7 p. m.

ADMIT SERIOUSNESS OF SITUATION

Railroad officials admitted the seriousness of the situation and are preparing to man the cars in the three cities if the men go on strike. They are confident service will be provided without serious interruption. The men, who are seeking an increase in wages have been offered the same contract as last year, with a few minor changes.

Mr. Hamilton stated tonight the higher wage could not be reached because of curtailed revenues of the railroad due to the use of the automobile.

The unions of the three cities recently voted on the proposition and rejected it.

PUROLATOR CONQUERS
AN ENGINE'S WORST ENEMY

—by constantly filtering and refiltering the oil in the crank case as the engine runs

A PurOlator will collect about two pounds of dirt in 8000 to 10000 miles. This is the dirt that would otherwise find its way to lubricated surfaces if allowed to remain in the oil. Excessive wear on the bearings, pistons, rings and cylinder walls results when dirt is permitted to accumulate. This means repair bills and shortened engine life.

Price \$13.50 to \$50.00

Dirt in the bearings costs money; dirt in the PurOlator saves money.

LET US PUT A PUROLATOR ON YOUR CAR

Many manufacturers of PurOlator equipped cars advise draining the crank case at 2000 to 3000 miles instead of the usual 500.

THE POWERFUL
Six-72
Roadster \$2195

THE REMARKABLE
Six-80
Standard \$1595

Two Great Sixes
both Peerless

BOTH are low in price—but exceptional in value. Both powerful—both rugged. Both smooth running. Each lives up to every Peerless tradition of quality.

The Six-80's wheelbase is only 116 inches. That makes it wonderfully easy to handle—easy to turn on a city street—easy to park—an ideal car for a woman to drive.

Yet the body is long, low and roomy with deep, comfortable seats and wide windows for perfect vision.

This remarkable Six is the lowest priced car Peerless has ever built—from \$1595 for the Sport Phaeton to \$1995 for the Standard Sedan and \$2195 for the DeLuxe Sedan. It has hydraulic 4-wheel brakes and balloon tires. It is most powerful—outstandingly strong.

And in ruggedness and dependability this low priced Peerless Six-80 is a smaller counterpart of the Powerful Six-72.

Owners of the Six-72 will tell you that thousands of miles of uninterrupted service have given them fullest confidence in this car's dependability.

Sit at its wheel and you have at your command power far beyond any possible requirement. Smooth too, and dependable. You'll understand why the Six-72 has won the reputation of being "the most rugged Six that's built."

If you seek car values truly remarkable, ride in the Peerless whose price meets your pocketbook. Phone the Peerless dealer and call him the one you want to try. He will send it to your door.
