FIRE DESTROYED
STONE BUILDING
AND ONE HOUSE

ONEIDA, Sept. 12.—Early Sunday morning fire broke out in the store of E. A. Whipple in the block owned by M. C. Stone. It almost totally destroyed this place and the residence of D. S. Wilson. The exact origin of the fire is unknown. Robert Dunn, a barber, was on his way home when he was startled by a loud explosion in the store building. It completely demolished the large plate glass windows in the street front.

Here is the bushbuck, a rare African deer, that Kermit Roosevelt shot near Lake Nairasha, Africa. The bushbuck, unlike other African deer, has long hair and a beard. The photograph was taken by Warrington Dawson, special correspondent of The Journal with the expedition of Colonel Roosevelt. The bushbuck was considered a fine trophy.

It is estimated that the damage done will amount up to \$20,000. The Stone building was occupied by E. D. Whipple, who carried a general sporting goods line; the D. H. Wales Company, the Oneida Cigar Company, the offices of the Oneida Electric Express Company and the Madison Gas and Electric Company. All of the losses were, it is said, protected by insurance.

It was, without doubt, the largest fire that has occurred in Oneida for some time. The fire department had every foot of good hose in action. A good many thoughts when they heard of the eruption, that the Oneida Savings bank had been entered by burglars, but this thought was soon dispelled.

Vernon Team Defeated.
ONEIDA, Sept. 11.—The Oneida Community baseball team proved to be too fast for the Vernon boys at Kenwood park Saturday afternoon, the trap makers winning by a score of 9 to 2. Dorn, for Vernon, was hit hard and often. Chamberlin started to pitch for the trap makers, but was hit on the elbow by a forced ball in the second and was forced to retire in the third. Griffith took his place.

Cornelia A. Dutton.
ONEIDA, Sept. 12.—Mrs. Cornelia A. Dutton, widow of Levi G. Dutton, died at the residence of her daughter, Mrs. A. M. Priest, 16 Broad street, Sunday afternoon. She had been ill for two months or more with heart disease. Her surviving relatives are two sons, George L. of New Haven, Conn., and Frank D. of San Diego, Cal., and one daughter, Mrs. A. M. Priest of Oneida. Mrs. Dutton was about 66 years old, and a member of King Solomon court, of the Order of the Eastern Star, and the First Methodist Episcopal church.

Hemorrhage Was Fatal.
ONEIDA, Sept. 12.—William Imhoff died suddenly Sunday morning at the Allen House. He was employed by Kinney Brothers and had formerly

lived in Syracuse, where it was said he has two daughters now living. A post-mortem examination shows that the man died from hemorrhage of the stomach. Mr. Imhoff was about 50 years old.

Saints Were Beaten.
ONEIDA, Sept. 12.—The St. Patrick baseball team was easily defeated by the All-Rome team at Citizens' park Sunday afternoon by a score of 4 to 1. The Saints played a lagging game and were in bad form. The All-Rome bunch played good ball all of the time.

Arrested Five Syrians.
ONEIDA, Sept. 12.—Five Syrians were arrested on Saturday night on the city farm by Deputy Sheriff Jacob Hill and brought to Vernon. The band was wanted on charges of assault and robbery. It is alleged that they beat and robbed one of their own kind of about \$100. This money was owned partly by the assaulted man and by some others for whom he held it in trust. The men were arraigned before Justice of the Peace Dowen in Vernon.

Factory Employes' Outing.
ONEIDA, Sept. 12.—The employes of the William A. Rogers corporation held their annual outing at Green Lake Saturday. There was boating, bathing and a ball game between the "benedicts" and "bachelors" and a fine clam bake. There was a large number present and all claim that it was one of the most successful affairs that they ever attended.

Finish Measuring Roads.
ONEIDA, Sept. 12.—It is expected that Deputy City Clerk Preston will finish his work to-day of measuring the roads in the Fifth and Sixth wards. When he has finished the task every one of the roads will be measured. These measurements are required by the State in connection with the construction and maintenance of the highways in Madison county.
