

Substitutes Are Dangerous Beware of Imitations, Substitutes and "Just as good as."

Unscrupulous dealers, mindful only of their profit and caring nothing for the health of their patrons, are offering for sale low grade mixtures, which they tell you are "as good as Duff's Pure Malt Whiskey."

Some go so far as to try to make you believe it is Duff's Pure Malt Whiskey. These cheap concoctions are foisted on the people with the intent to deceive.

When a remedy has been before the public for more than half a century, has been prescribed and used by the best doctors and in prominent hospitals, and has carried the blessing of health into so many thousands of homes as Duff's Pure Malt Whiskey has, imitations are bound to arise. They may imitate the bottle and label only—no one can imitate the contents.

Duff's Pure Malt Whiskey has been used with remarkable results in the treatment of Consumption, Pneumonia, Grip, Coughs, Colds, Malaria, Fevers, Stomach Troubles and all wasting and disordered conditions. It is sold in sealed bottles only. The Old Chemist's Head is on the label, and over the cork is an engraved seal. Be certain the seal is unbroken. Sold by druggists, grocers, dealers, or direct, \$1.00 a large bottle.

Write Medical Department, The Duff's Pure Malt Whiskey Co., Rochester, N. Y., for free advice and valuable medical booklet containing testimonials and common sense values for health.
