## West Hill Notes

## Sportslants

By Francis Watson

The pupils of the England School had perfect attendance during the month of January and their teacher, Mrs. Maude Luther, rewarded them by taking them to Utica to a moving picture show on Lincoln's birthday. After the show each child received a favor and was taken for a ride on the elevator in the First National Bank building. Some of the children had never seen an elevator, and one boy had the pleasure of seeing the City of Utica for the first time.

Mrs. Rose Hannan spent Sunday with relatives in Utica.

Word has been received that Mrs. Harry Converse, who is visiting Florida, is ill.

Mr. and Mrs. Clark Langford went to Rome on Monday.

Everett Luther of Williamstown spent the weekend at the home of his parents.

Ithaca High School will be the next foe for the Clinton High school when the two teams meet on the town rink Saturday afternoon. The setback rendered by Skaneateles last week has removed the over-confident attitude of the local team and has made the hockey scene appear in a different light. It is probable that new faces will be seen in the Clinton starting lineup Saturday.

Jackie Phillips of Utica knocked out Steve Capples of New York

with Frankie Amadio of Clark Mills defeating Kid Snowflake of Oneida in the main boxing event, and a draw marking the main wrestling match between Johnnie Bullets of Utica and Frank Filano of Chicago.

Al Poderio of Utica won a tko over Johnny Dubiel of New York Mills in 50 seconds of the second round.

Jackie Phillips of Utica knocked out Steve Capples of New York

Mills in 30 seconds of the second round.

Frankie Amadio of Clark Mills with the decision from Kid Snowflake in the main affair.

In the first wrestling match Tony Gigliotti drew with Young Clark, hockey star for the Middletown team, a draw between Harold Jones of Whitesboro and Art Regle of Utica.

In closing Captain McGrath appealed to the listeners to "cooperate with the police, use their services, they are public servants, paid by the state with the taxpayers' money".

Bowling and shovelboard were enjoyed after the talk. The next meeting will be held the second Tuesday in March, with Henry Roberts in charge of the supper.

AGAIN CHEVROLET LEADS  
THE PARADE OF PROGRESS

A GENERAL MOTORS VALUE

**with the greatest array of important advancements ever introduced on any car of lowest price**

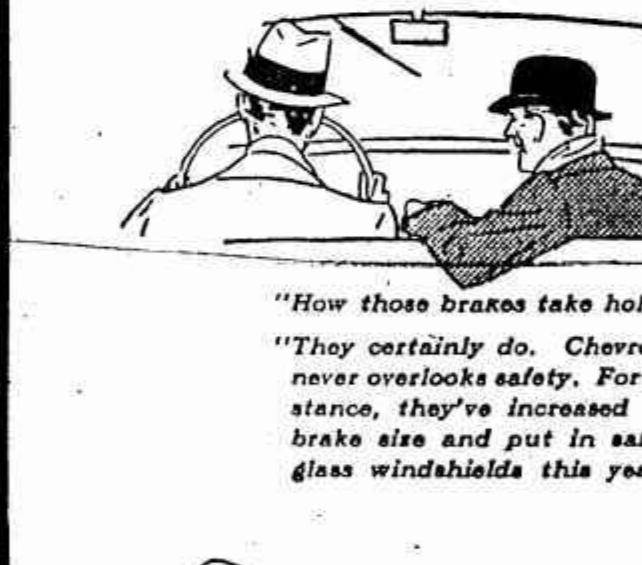

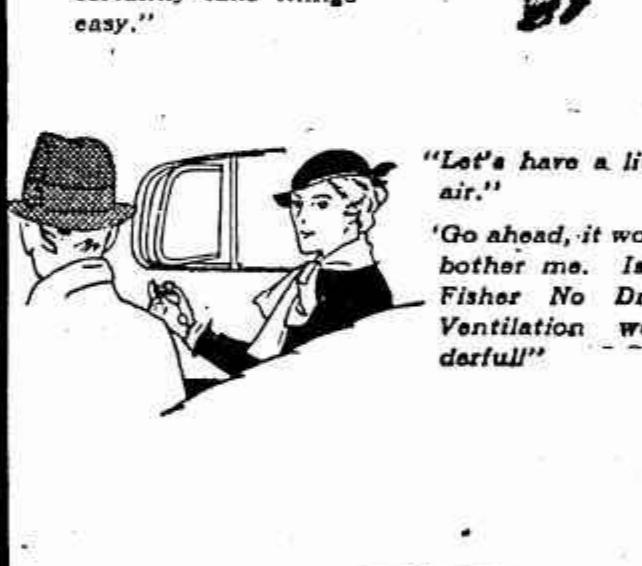

Chevrolet was FIRST to build a low-priced car with a gear-shift and a self-starter—FIRST to introduce modern ideas of style, performance and comfort in its field—FIRST to give America's millions the big advantage of "SIX cylinders—no more, no less." Chevrolet has always made a habit of setting the standard for the low-price field in everything new—modern—advanced—and desirable! Now comes 1933—with Chevrolet in the best position of its history to lead the big parade. Having just completed its fourth year out of the past six as the world's largest builder of cars, Chevrolet has the biggest volume in the industry—the biggest purchasing power. Hence, Chevrolet can afford to introduce more new advancements in its cars than can anyone else—and still keep the prices low. And that's exactly what Chevrolet has done, as the illustrated features so clearly show. The new Chevrolet Six steps far out in front of the big parade of progress with the greatest array of new advancements and improvements and inventions ever revealed in a new low-priced car!
