In re Estate of Joseph  
Imhoff, Deceased

....

Dear Mr. Imhoff:

Mr. Walter Kaley and Mr. Harry J. Young, the Executors of the Estate of Joseph Imhoff, have prepared and filed their Final Account as such Executors, and we are enclosing herewith a copy thereof for your information.

In view of the amount of this estate, it seems advisable to avoid all legal expenses that can be eliminated. We have, therefore, suggested that instead of issuing citations and bringing everybody into Surrogate's Court to have the Account approved by the Surrogate, that everybody be furnished with a copy of the Account and asked to sign a Waiver and Consent releasing the Executors of liability upon payment of the respective shares to the interested parties.

As you can see by the enclosed Account, there is a cash balance on hand of \$456.82. The Executors' commissions will amount to \$69.44. This leaves a balance of \$387.38 to be divided among the five beneficiaries, which when divided would amount to \$77.47 for two, and \$77.48 for the other three.

We have prepared and are enclosing herewith, a proposed Release and Waiver for your execution, and would like to have you sign the same on the line indicated by a check mark, acknowledge before a Notary Public, and return the same to us. If it would be more convenient, we have a Notary at our office who would be very glad to take your acknowledgment without expense. Upon receipt of this document properly executed, we will instruct Mr. Kaley and Mr. Young to issue a suitable check payable to your order.

The figures given above refer only to the personal property and do not affect the real estate, except

as rentals and disbursements are shown in the Account. In addition to the cash which you are entitled to receive at this time, you also have a one-fifth interest in the real estate. We understand that the five interested parties have decided to hold the real estate until a more favorable time to sell.

Yours very truly,

EPF/F
