FIRE AND POLICE BOARD OF ROME

MONTHLY MEETING WAS HELD YESTERDAY AFTERNOON.

THE NEWS OF THE CITY

George William A. Quayle and the Rev. Dr. John Francis Will... on the Occasion of the Dedication of M. E. Chapel—Cannonsville, N.C.

Rome, April 1.—At the Monthly meeting of the Fire and Police Board this afternoon President Beach stated that Charles Rapp, Jr. had presented a claim for a reward of \$10 for his dog which had been captured by one of the dog catchers. He deposited \$10 to redeem the dog after it had been placed in the pound, and Chief McLaughlin sent the money to the State Department. When the release was received the dog could not be found. It is claimed the dog was killed in the gas box and that its body was seen at the fertilizer works, and it is also claimed that the dog was one of several that had escaped from the pound. The State Department was asked to refund the \$10, but a reply was received that it had been turned into the State Treasury and could not be refunded. The board voted to return the money to the owner of the dog.

The Rev. Henry White, pastor of the Presbyterian Church, has arranged for a special series of Lenten services for April 5, 6, 12, 13 and 14. The preachers will be the Rev. W. J. Maurer of Utica, the Rev. Arthur J. Colson of Little Falls, the Rev. L. G. Colson of New York Mills and the Rev. C. H. French of Ilion. The pastor will fill the remaining two dates.

Officer Francis O'Brien was given permission to receive \$20, part of the reward offered by the Government for the capture of a deserter. The deserter was appointed to capture the dog and was wearing dog tags under this ordinance which went into effect today. He is to be paid \$1 for each dog caught not wearing a tag. Over 200 tags were sold today.

Two Prominent Clearances.—This city is to be honored by the visit of two eminent clergymen, Bishop William C. D. L. L. and the Rev. John Krantz, D. D. L. L., who will preach upon the occasion of the dedication of the handsome new and modern chapel of the First Baptist Church, on Monday, April 3. Bishop Krantz will give his famous lecture, "The Tragedy of Rip Van Winkle," in the church on the Saturday evening preceding the dedication.

The new chapel, as completed, is a source of gratification to the congregation. It will be used as a Sunday school quarters and has been designed in the most commodious and school in the most complete manner. The Sunday school outgrew its quarters some time ago and the new chapel was the natural outcome of a growing church.

The Genesee County State.—Mrs. Abraham Lansing of Albany, granddaughters of the famous Revolutionary general, Peter Gansevoort, Jr. and daughter of the late General John Gansevoort, who died in 1806, has for some time considered the pedestal of the statue inadequate and has arranged to have a larger and more appropriate one. The plans for the new base for the handsome bronze statue have been made and the pedestal is to be of cast iron. It will be four feet taller and a foot wider than the present pedestal. The builder of the present pedestal was in the field when the pedestal was in the stone. In addition to the improved pedestal the bronze plates will be replaced by a new set of plates that can be read easily.

A Presentation.—On Friday afternoon about 5 o'clock, Albert W. Trainor, who has just resigned the position of secretary and treasurer of the Onondaga County Savings Bank, which has held for several years, presented a handsome pair of gold link cuff buttons with the Masonic emblem on them. The gift was enclosed in a purple plush covered case and was accompanied by a letter dated March 21, 1911, to Albert W. Trainor. A token testimonial of the respect and admiration in which we hold you as a member of the Onondaga County Savings Bank. The morning topic will be "The Old Way" and the evening "Spiritual Bookkeeping." On Monday evening the evangelist will speak on his personal experiences. There will be a special service during the week except Saturday being confined to 7:30 o'clock. Everybody is cordially invited to attend any or all these services.

There will be an excellent address at the men's meeting at the Y. M. C. A. to-morrow evening. The noted evangelist will be the speaker. "The Boy Scouts of the Y. M. C. A." had a largely attended and enthusiastic meeting last evening. Several were added to the roll and some passed the tenderfoot test.

Mrs. Mary A. Shea.—Mrs. Mary A. Shea died at 1 o'clock this morning at her home, No. 87 East Thomas street. She had been ill for some time. She was born in Ireland and had lived in Rome about thirty years. She was a member of St. Peter's congregation. She is survived by one daughter, Mrs. Catherine Cummings, who lived with her mother, and one son, William Cummings of New York.

SURPRISE TENDERED WHITESBORO COUPLE

MR. AND MRS. E. E. WIND, SILVER WEDDING ANNIVERSARY. MARRIED 45 YEARS.

ELECTION NEXT TUESDAY

Paving Question Will be Passed Upon by Taxpayers—Paving Assessments Said to be Less Than Anticipated in Annual Report.

Whitesboro, April 1.—One of the most enjoyable events held in this village in many years was the surprise party given to Mr. and Mrs. E. E. Wind, at their home, 218 North Main street, last night on the occasion of their silver wedding anniversary.

They are the oldest couple in this section that came from Holland and located here. They emigrated 20 years ago and located in New York where they remained six years, then came to this village. Mr. Wind is in his 81st year and Mrs. Wind is in her 79th year. They had entirely forgotten about their wedding anniversary until their two sons, W. E. Wind and E. E. Wind, Jr., who passed the word among friends of the family who were neighbors in Holland until about 1890, in Clinton, Utica, New York, Utica, New York and this village were in the secret. The aged couple were somewhat surprised when two friends went to their home and reminded them of the anniversary.

The property owners along Main street were agreeably surprised yesterday when they received their paving assessment notices as the amount was much less than they anticipated. This is accounted for by the fact that the estimate of the cost of the paving work was placed at \$12,400 whereas the work was done at a cost of but \$11,521.30 to them. The cost per lineal foot at the widest part of the street was \$1.25. The paving was done by the contractor, Mr. Charles Collins at Ellicott City, Md. where he was a student, was destroyed by fire. He with his classmates, has resumed his studies for the Catholic school in St. Mary's Seminary, Baltimore. He will return to St. Charles College as soon as the fire damage can be repaired.

some of the present walks should be raised. Third, establishing of some system whereby Main street may be kept clean, otherwise, as far as dust is concerned, it will be as bad or more so, than it was before paving. There was some discussion regarding the last suggestion and the clerk was instructed to correspond with officials in other places regarding the merits of a patented sanitary sweeping machine which can be operated with one horse.

The Rev. A. S. Brown of Ilion was the speaker at the evangelistic service in the Baptist Church last night. There was no service this evening. To-morrow night the two week meetings will be brought to a close by a sermon by the pastor, the Rev. Frederick J. Reynolds, who will deliver the third in a series of sermons on "Four Vital Questions." There will be gospel songs.

Pascal Landry of Davis avenue was severely cut about the left side of the head and had his left leg and shoulder badly bruised by being thrown out of his wagon Thursday night near the Sauquoit Creek bridge. Mr. Landry was driving down the street when the horse became frightened at an automobile coming across the bridge. The horse shied suddenly and threw the driver out. Dr. A. E. Stafford was called. Several stitches were required to close the wound in the head. No serious results are anticipated.

A "Hard Times Boshuf" will be held in the parlors of the Methodist Church Tuesday evening. "Extra good" rough and "stringers" will be served by the ladies in charge. Fines will be imposed on all gents who wear "dude" collars and women must leave their pouched bags to hum. The rules are very strict as to clothing, no entry being allowed without the payment of a fine. There is a special committee "to introduce the baneful ones." There will be a full program of music.

Mr. and Mrs. Joseph J. Sauter left this week for Leyden, N. D., where they will make their home on a ranch. Nearly all their lives have been spent in this village and Griskany and they were very strict as to clothing, no entry being allowed without the payment of a fine. There is a special committee "to introduce the baneful ones." There will be a full program of music.
