## CLINTON TAXPAYERS APPROVE RATE CHANGE

At a largely attended meeting of the taxpayers of the Central School District held Friday evening in Lumbard Memorial Hall the question of raising the interest rate on certificates of indebtedness issued to raise funds for the new Central School was passed by a vote of 159 for the proposition and 113 against. As the school project involves \$350,000 the bankers did not consider 5 per cent bonds full security for 6 per cent notes. The expiration date for financing negotiations is July 10 and work on the new building will probably start about that time. Certificates of indebtedness are to be issued for a period not to exceed one year and may be renewed each year for four years. At the same time bonds will continue on sale in an effort to speed financial procedure.

### Double Wedding

A double wedding ceremony took place Thursday evening at the home of the officiating clergyman, Rev. Edmund L. Shepherd, Dwight avenue, when Miss Alice Flynn became the bride of Charles Blunt and Miss Dorothy Whipple became the bride of Gerald Boyer. All are well known young people here and have the best wishes of their many friends. The couples acted as attendants for each other. Mrs. Blunt is the daughter of Mr. and Mrs. Maurice Flynn and her husband is the son of Clarence Blunt, Kirkland Ave. Mrs. Boyer is a daughter of Mr. and Mrs. Charles Whipple, Mulberry street, and Mr. Boyer is a son of Mr. and Mrs. Frank Boyer. After a wedding trip in the Adirondacks, Mr. and Mrs. Blunt will reside on Fountain street and Mr. and Mrs. Boyer will make their home on Fountain street. Mrs. Boyer was entertained by Mrs. Walter Parsons and Mrs. Mary Jensen and Mrs. Blunt was entertained by Mrs. Frank O'Brien and Mrs. Herman Suppe.

In St. Mary's Church on Saturday morning Miss Margaret Mary Pryor, daughter of Mr. and Mrs. Daniel Pryor, Kirkland Hill, was united in marriage with Edward F. Dressel of Utica, with a nuptial mass celebrated by Rev. Thomas McNeil, assistant pastor. The bride was attended by her sister, Miss Evelyn Pryor and the best man was James Murray of Utica, brother-in-law of the groom. The bride wore a gown of white messaline de sole and carried white roses and her sister wore robin's egg blue and carried a bouquet of garden flowers. Ushers were J. Frank Pryor and Honston Pryor, brothers of the bride. After the ceremony a reception was held at the home of the bride's parents and after a motor trip Mr. and Mrs. Dressel will make their home in Utica. The bride was entertained at pre-nuptial events by Mrs. J. Frank Pryor, Miss Evelyn Pryor, Miss Ruth Randall of Clinton, Miss Marjorie Dixon of Deansboro and Miss Elsie Morris of Utica.

On Saturday at noon Rev. E. Floyd Norton, former pastor of the Clinton Baptist Church and now pastor at Parma, united in marriage Miss Beatrice Lula Baldwin, daughter of Mr. and Mrs. Fay L. Baldwin, Marvin St., and Clarence Gardner Lloyd, son of Mr. and Mrs. Gardner Lloyd of Deansboro. They were attended by the bride's sister, Miss Katherine Baldwin and Kenneth Iles, both of Clinton. The bride wore a gown of flowered chiffon and a corsage of Martha Washington rosebuds. Her bridesmaids wore pink silk crepe and a corsage of rose buds. After a wedding trip to New York and New Jersey Mr. and Mrs. Lloyd will return to Clinton and make their home at 43 Fountain street.

Mrs. Stanley Cook, Kirkland avenue, is confined to a Utica hospital where she recently underwent an operation. Her condition is steadily improving and she will return to her home here within a short time.

Mr. and Mrs. Carl G. Sorenson, College street, have gone to Plattsburg where they will spend the summer months.

Harold Carlyon of Ithaca has been in town for a short time and accompanied by his father went by motor to New Jersey where they attended the funeral of a relative.

A number of local teachers have registered for the summer session at Syracuse University which opens July 5. They are Mrs. John Morrow, the Misses Ida Holgate, Bessie Griffin and Josie Restle.

Miss Mary Dziegiel, who has been engaged in teaching near Cazenovia, has been spending a few days at her home on Post street and on Tuesday will leave for Potsdam where she will attend the summer session at the State Normal School.

George J. Welch, Williams street, has gone to Cortland where he will spend the month of July.

Mr. and Mrs. Henry Turnock and Miss Susie Tibbitts, Marvin street, have returned from a short vacation at the Thousand Islands.

Miss Mildred Gallaway of Susquehanna, Pa., and Leon Gallaway of Syracuse have been recent guests of Mr. and Mrs. Merritt Snyder, Marvin St. Mr. and Mrs. Ernest Dohn of Syra-

case spent the week end with relatives in town.

J. Butler Wash of Washington, D. C. is spending some time at the home of Prof. and Mrs. Calvin L. Lewis, College Hill.

Miss Marjorie Pegnim of Pelham Manor spent the week end with her parents, Mr. and Mrs. Edward Pegnim, East Park Row. Miss Pegnim will sail Saturday for a two months' vacation in Europe. She plans to spend some time with relatives in England and will also visit European countries before her return in September.

Miss Martha Bonham and Miss Elsie Bee of New Rochelle have been recent guests of Prof. and Mrs. M. L. Bonham, College Hill.

Miss Helen Dawes who is engaged in teaching at Gloversville is at the home of her parents, Mr. and Mrs. J. William Dawes, Franklin avenue.

Gordon Cobb, a former resident of Clinton, called on friends in town this week.

## REV. POWERS GIVES SERMON

"Why is it that wealth and poverty, liberty and slavery, culture and brutality accompany each other? Are the evils a necessary part of our life? Will they eventually destroy our present civilization and will the work of building up anew be entrusted to other races and other generations other than our own?"

"Society has endeavored to remedy matters. The means suggested have

been temporary and mechanical, such as dealing with hours of labor, recreation, wages, taxes, tariffs, school buildings, debt postponement and cancellation. These remedies are of uncertain value. They do not go to the root of the trouble. They cannot influence nor hold in check the passions of human nature, which so often get beyond control of the reason and work havoc with the individual and society. Who will deny that the pride which influences a nation to imagine that it is a nation of supermen or gods, while the people of other nations are only worms that may be crushed at will, who can deny but such pride is responsible for many of our ills? Who can deny but that avarice, the desire for wealth which induces a corporation or a nation to enrich itself at the expense of others, is a promoter of evils? Was it not the spirit of avarice, greed, and sloth that influenced so many to invest their small earnings in stocks, and then imagine that those small investments would insure them during the period of their life the most extravagant luxury? Do not jealousy, envy, lust and hatred harm nations and classes, as well as individuals?

"Civilizations have existed prior to our own, Assyrian, Egyptian, Greek, and Roman. They all had their periods of glory and power but all went down to defeat and ruin. They were not destroyed so much by the forces from without as by the evils from within. The moral cancers of greed, pride, impurity, sloth, luxury, and gluttony, ate away the fiber of their character, destroyed their virtue, and their civilization collapsed. Christianity gathered together the fragments from the ruins and built a new civilization that has withstood all attacks for nineteen centuries. Will it continue to do so in the future?"

"We have the greatest confidence

in this generation. The world does not need a new civilization. A social readjustment may come but the greatest need today is God. Civilization is built upon religion. How can we hope for respect for law unless we realize that all good laws are an expression of the will of God. We must first of all recognize God's law. Where will treaties have their binding force unless we accept truth as an expression of the infinite truth which does not change but is the same yesterday, today and forever? Will justice prevail among men without recognizing the justice of God that rewards the good and punishes the wicked? Will men respect their fellowmen if they accept him only as a developed brute, and not behold in him the image and likeness of the Creator who has endowed man with an immortal soul? We love our neighbor for the love of God because he bears God's image, and was ransomed by the sacrifice of Jesus Christ. The stone rejected by the builders must once more become the head of the corner. For there is no other name under Heaven given to men whereby we must be saved. "No matter what your vocation in life may be, put into your work the best that is in you. If you do your task as well as you are able then your life will be successful. The present trying time is just the period that will develop character and raise up mighty leaders. The world today needs leaders in business, politics, and education. May God help you to attain to such leadership."

# "SIX CYLINDERS no more-no less" says America

## Since January 1st, buyers have chosen more Chevrolet Sixes than the combined total of all fours and all eights priced below \$1000

**CHEVROLET SALES**

**ALL EIGHTS priced below \$1000**

**ALL FOURS**

Look at what happened when America began lifting hoods and counting cylinders: Overwhelming preference for "SIX CYLINDERS. No more—No less." A sweeping endorsement of the soundness and correctness of the Chevrolet six-cylinder engine!

America knows its motor cars. And America knows you can't get around these facts about cylinders in a low-priced car: That six is the largest number you can have and still get *unexcelled economy!* That six is the fewest you can have and still get *built-in smoothness!* And who wants to sacrifice either of these great factors of motoring satisfaction?

America prefers the Chevrolet Six—because it strikes a happy medium between two extremes. It gives economy—the lowest operating and upkeep cost of any American car, as proved by the experience of tens of thousands of owners! It gives smoothness—the *built-in smoothness* that makes driving really comfortable, effortless, enjoyable! And it gives many other advantages just as essential and important as six cylinders. Advantages that no other low-priced car can match.

*Fisher bodies*—big, spacious, luxurious Fisher bodies—styled in the latest custom mode, built solidly and ruggedly to give long service!

That matchless combination—*Free Wheeling and Syncro-Mesh*—for quick, quiet, effortless shifting and positive car control.

A dependable chassis, whose basic design has been proved in the hands of millions of satisfied owners.

Such features of riding-comfort as four parallel-mounted springs, four hydraulic shock absorbers, adequate weight and correct balance!

And new reduced prices—as much as \$50 and \$55 lower than they were before!

Chevrolet is able to give this value, because Chevrolet is the world's largest producer of motor cars. Largest for three out of the past five years! Largest for the first six months of 1932! First in value—First in sales!
